**Key Highlights:**

The IIC Hackathon and Inter/Intra Institutional Business Plan Competition successfully fostered innovation, creativity, and entrepreneurial thinking among students. The event provided a dynamic platform for participants to present their business ideas, develop problem-solving skills, and gain practical exposure to real-world challenges. Students demonstrated strong analytical abilities, market understanding, and confidence in pitching their ideas before the panel of judges.

The competition encouraged teamwork, leadership, and effective communication, while also enhancing decision-making skills under competitive conditions. Participants received valuable feedback from industry experts and faculty members, which helped them refine their business models and strategies. The event also created awareness about startup ecosystems and motivated students to explore entrepreneurship as a viable career option..

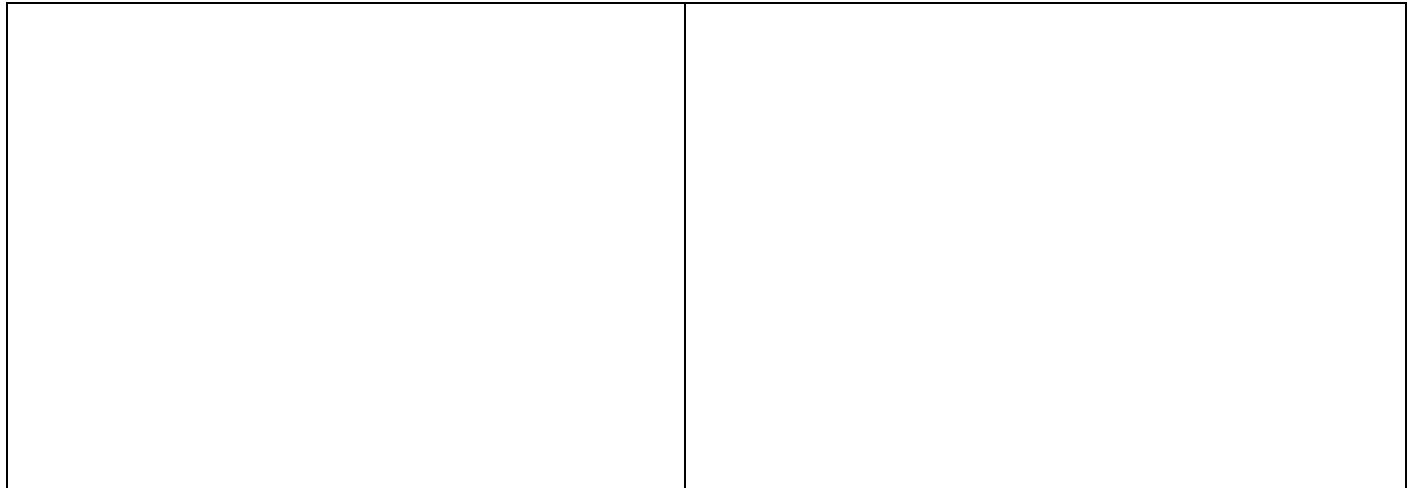

Overall, the hackathon achieved its objective of nurturing innovation and bridging the gap between theoretical knowledge and practical application, leaving participants inspired and better prepared for future entrepreneurial endeavors.
