Objective

The Faculty Development Programme (FDP) conducted by CRISP for the retail and BFSI faculties, was designed to enhance teaching competencies, research capabilities, and professional skills of faculty members. The initiative focused on:

- * Empowering educators with modern pedagogical tools
- * Improving classroom delivery and student engagement
- * Integrating innovative teaching–learning methodologies
- * Strengthening faculty understanding of emerging business trends, digital teaching tools, and industry-relevant curriculum practices

Programme Outcomes

The FDP significantly contributed to strengthening the academic and professional skills of the participants. Faculty members were able to:

- * Gain insights into modern pedagogical practices and technology-enabled teaching
- * Understand innovative classroom strategies for active and outcome-based learning
- * Learn contemporary business trends relevant to the curriculum
- * Enhance research capabilities, presentation skills, and academic writing proficiency
- * Improve student engagement techniques and assessment strategies
- * Explore interdisciplinary approaches to teaching management subjects

Feedback from participants indicated:

- * Increased confidence in teaching
- * Improved preparedness for classroom delivery
- * Better alignment with current academic standards and industry expectations

Programme Highlights

The programme was coordinated by the Department of BBA, KMICS in collaboration with CRISP . Sessions were conducted by expert trainers and resource persons through:

- * Interactive lectures
- * Hands-on activities
- * Case studies
- * Group discussions

Special sessions on classroom management and Outcome-Based Education (OBE) made the training more impactful and dynamic.

Remarks

The FDP programme received excellent feedback from all participants. Faculty members appreciated:

- * The relevance of topics covered
- * The expertise of resource persons
- * The practical applicability of the methods taught

The initiative successfully strengthened professional development and enriched the overall experience.

Hospitality arrangements and freshly served food ensured comfort for both participants and trainers throughout the three-day programme.

Conclusion

The FDP programme conducted by CRISP proved to be a highly beneficial and enriching experience. It aligned with the institution's vision of promoting academic excellence and continuous faculty development. By adopting innovative teaching methodologies and updated knowledge, faculty members are now better equipped to deliver engaging and industry-relevant learning experiences to students.

The programme reaffirmed the institution's commitment to fostering a culture of professional growth, academic innovation, and quality enhancement in higher education.
