Session Details

Title of the session: Innovation and Entrepreneurship Outreach Program in Schools

Date: 24-02-2026

Duration: 4 hours

Activity Category: IIC Calendar/MIC Driven/Self Driven/Celebration

Theme: Innovation and Design Thinking

Venue: Keshav Memorial High School, Narayanguda

Organized by: Institution's Innovation Council (IIC), KMICS

No. of Ideas generated: 14

No. of Marketing Strategy Documents: 14

Name of the coordinators: 1) Shilpa D

2) Namitha

Outcome/Report of the activity:150words

The program aimed to create awareness among school students about innovation, creativity, and entrepreneurial thinking.

The session included interactive discussions, hands-on activities, and idea-generation exercises to help students understand problem-solving through design thinking. The resource persons explained the importance of innovation in daily life and encouraged students to think creatively and develop practical solutions to real-world problems. Local innovators and faculty members engaged with the participants, motivating them to explore entrepreneurial opportunities from a young age.

More than 40 school students actively participated in the outreach program. The event successfully fostered curiosity, creativity, and confidence among students. Overall, the program was impactful and contributed to building an innovation-driven mindset among young learners.
