

## Report on “Ideas on Expo / Display of Ideas”

**Date:** 18 February 2026

**Venue:** Seminar Hall

**Time:** 1:30 PM

### **Introduction**

The event “Ideas on Expo / Display of Ideas” was organized to provide a dynamic platform for students to present their innovative ideas and product concepts. The expo aimed to nurture creativity, encourage problem-solving skills, and promote entrepreneurial thinking among students.

### **Objective of the Event**

The primary objectives of the program were:

- To encourage students to develop and present innovative ideas.
- To promote creativity and practical application of knowledge.
- To inspire young minds towards entrepreneurship and startup culture.
- To create awareness about protecting innovative ideas through Intellectual Property Rights (IPR).

### **Event Highlights**

The expo commenced at 1:30 PM in the Seminar Hall with enthusiastic participation from students across various departments. Participants showcased working models, prototypes, and conceptual ideas addressing real-world problems in areas such as technology, environment, health, and daily life applications.

Each participant explained:

- The concept and purpose of their idea
- The uniqueness and innovation involved
- Practical applications and benefits
- Future scope and potential market value

Faculty members evaluated the exhibits and provided constructive feedback to help students refine and improve their ideas.

### **Learning Outcomes**

Through this expo, participants were able to:

- Enhance their presentation and communication skills.
- Understand the importance of innovation in entrepreneurship.

- Gain confidence in demonstrating their ideas publicly.
- Recognize the value of protecting their creations through patents, trademarks, and copyrights.
- Develop critical thinking and problem-solving abilities.

## Conclusion

The “Ideas on Expo / Display of Ideas” was a successful and inspiring event that encouraged students to think creatively and act innovatively. It served as an excellent platform for showcasing talent, exchanging ideas, and fostering an entrepreneurial mindset. The expo not only boosted students’ confidence but also motivated them to transform their innovative concepts into practical and viable ventures in the future.
