### **Objective**

The Department of Business Administration organized an academic event titled “ Inventory Control Management” exclusively for the BBA 1st Year logistics students. The event aimed to enhance students’ of how inventory is managed in an enterprise and provide them with a platform to showcase their communication, analytical, and presentation skills. It aimed to bridge the gap between classroom learning and real-world marketing concepts to cultivate creativity, critical thinking among students and develop professional skills in presentation, research, also to encourage students to analyze the working of a business in managing stocks.

---

### **Program Outcomes**

- . The event proved to be a valuable learning activity for students .Key outcomes included:
  - . Improved confidence in public speaking and presentation.
  - . Better understanding of contemporary marketing practices.
  - . Development of team spirit and leadership qualities.
  - . Increased curiosity to research beyond textbooks and explore innovative methods.
- 

### **Programme Highlights**

The event was held for three consecutive days, was scheduled as 1 hour session for three days. Each student presented their topic with creativity, incorporating real-life case studies, advertisements, brand stories, and statistical insights. students were appreciated for the confidence, originality, and professional approach.

---

### **Student Response**

Students expressed enthusiasm and interest throughout the event. Many shared that this platform allowed them to think creatively, overcome stage fear, and explore marketing . The competition spirit kept them motivated, while faculty feedback gave them direction for improvement.

---

## Conclusion

Inventory Control Management – student presentation series was a successful blend of learning and creativity. Students showcased their talent by ppt presentation in a very effective manner . The event boosted their confidence, teamwork, and presentation skills while encouraging them to think beyond textbooks. It served as a strong foundation for future academic activities that will continue to shape them into competent and creative business professionals.
