

Guest Lecture Report

Title of the Lecture: Web Technologies

Speaker: R. Arjunarao, M.Phil. In Computer Science

Date: 24th January, 2025

Venue: UG block, 2nd floor, Seminar Hall

Organized by: Keshav Memorial Institute of Commerce and Sciences, Department of Computer Science

Introduction

The Department of Computer Science organized a guest lecture on "**Web Technologies**" on **24th January, 2025**. The esteemed speaker, Mr. R. Arjunarao, was invited to share his knowledge and expertise with the students B.Sc (MPCs, MSCs) III year. Mr. Arjunarao has an extensive experience of 20 years in teaching undergraduate and postgraduate students and has been a visiting faculty at esteemed institutions such as Sikkim Manipal University, JNTUH, Osmania University, IGNOU, and UGC-Academic Staff College. He is also a Microsoft Certified Technology Specialist and works as a senior .Net developer for various top MNCs. His areas of interest include Advanced Java, C#, Artificial Intelligence, Web Programming, Azure Cloud Services, and Data Analytics.

Objective of the Lecture

The primary objective of the lecture was to expose students to the latest advancements in computer science and provide them various emerging technologies such as Web Development.

Key Highlights

- **Web Programming Trends:** Exploration of modern web development technologies, frameworks, and best practices.

Interactive Session

The lecture was followed by an engaging Q&A session, where students had the opportunity to interact with Mr. Arjunarao and seek his guidance on various technical and career-related queries. He provided valuable insights on skill development, industry expectations, and certification courses that could enhance employability.

Conclusion

The guest lecture was highly informative and well-received by students and faculty members. Mr. Arjunarao's vast knowledge and experience provided a great learning opportunity for around 80 students. The session successfully bridged the gap between academic knowledge and industry requirements, leaving the students motivated and inspired to explore advanced concepts in computer science.

Acknowledgment

The Department of Computer Science extends its heartfelt gratitude to Mr. R. Arjunarao for his valuable time and insightful lecture. Special thanks to the organizing committee and faculty members for their efforts in making this event a success.
