TRAINING AND PLACEMENTS CELL:

The Training & Placement Cell of Keshav Memorial College, is to provide students with various career advancement avenues and to train the students with all the required skills that would enable them to excel in the corporate world. At Keshav Memorial College, we foster an environment where collaboration with industry thrives, generating breakthrough discoveries, science, and technology that can support continuous innovation and growth. With a perfect record of accomplishment of very productive relationships with corporations of all sizes, from start-ups to established Multi-National Companies.

Training and Placement Cell of the Institute centrally handles campus placements of the graduating students of the college. The Cell provides complete support to the visiting companies at every stage of placement process. The College is well equipped with ample infrastructure in terms of halls for presentations, Pre-Placement Talks, Written Tests, and labs for Online Test, Rooms for Mock Interviews etc.

OBJECTIVES:

- To develop the students to meet the corporate expectation and place them in reputed companies based on the expected job profiles of each student.
- To create awareness among students regarding available career options and help them in identifying their career objectives.
- To Guide the students in developing skills and job-search strategies required to achieve their career objectives.
- Updating the students about the current market trends periodically to prepare for the industry expectations.
- To Act as a bridge between students, corporates & Alumni.

The Placement Cell of KMICS College had another fruitful year of placements. In the academic year 2021-2022, the various companies approach us in their hunt /for fresh talent for their organizations. Each year, we invite various companies to the campus to hold recruitments for our students, and in spite of the job market looking bleak this time around, we saw many leading corporates recruit a considerable number of students from our campus. The aim of placement cell is to invite companies from various fields in order to provide opportunities for students of UG and PG. The Placement Cell also acts as an interface between the students of the college and various companies that come for recruitment. The placement cell maintains constant contact with the students by sending the mails to students regularly notifying them about the companies that would be visiting thereby encouraging them to apply for the recruitment. The placement cell in collaboration with several leading and new companies held the virtual drives for the final year students. The Cell organises Campus recruitment training which includes Aptitude and Reasoning Logical, Arithmetic, Personality Development and Communication Skills, basic Interview Skills and also Soft Skills through TASK.
