Mrs. V.Sumalatha

HOD, Programme coordinator

DATE: 10th JUNE 2023

ORGANIZED: Mrs. V. Sumalatha (HOD of PG) is Convenor and Mr. M. Kanaka Reddy, Mrs. A. Lavanya, Miss. T. Pavani Durga are Coordinators.

Report:

The **Department of Statistics** was conducted a **Food Donation Day** on 10th June 2023 at *Aadarsha foundation, Phanigiri colony, Chaitanyapuri, Dilsukhnagar*. Head of the department Mrs. V. Sumalatha, faculty members Mr. M. Kanaka Reddy, Mrs. A. Lavanya, Miss. T. Pavani Durga and the students of M.Sc. Statistics I & II year participated in the event and each student contributed Rs.100/- and faculty contributed Rs.1000/- per head.

The students were divided into three teams along with the faculty. One team distributed buttermilk at **Niloufer Hospital**, Red hills, Lakdikapul. Another team distributed buttermilk near the premises of **Narayanaguda, YMCA, Kachiguda Railway station**. Over 500 buttermilk packets were distributed.

The other team visited the **Aadarsha Foundation**. There were around 40 children of different age groups with single parent and no parents. We spent some time with children, where they introduced about themselves. The faculty distributed some chocolates and ice creams to the children's. The feeling of spending time with them and seeing their happiness was really amazing.

TOPIC: Fieldtrip 2023

DATE: 8th JULY 2023

ORGANIZED: Mrs. V. Sumalatha (HOD of PG) is Convenor and Mr. M. Kanaka Reddy, Mrs. A. Lavanya, Miss. T.Pavani Durga are Coordinators.

Report:

Department has organised “*FieldTrip 2023*”, an Industry Connect Program on 8th JULY 2023 to “*Bhoodan Pochampally*”.

This field trip aimed to collect statistical data to analyse various aspects of Bhoodan Pochampally, specifically focusing on economic indicators, weaving production, and the impact of the Bhoodan movement on the village's development.

Schedule of Fieldtrip:

- **Morning:** Departure and arrival in Bhoodan Pochampally
- **Afternoon:** Conducting surveys and interviews with weaver's
- **Evening:** Preliminary data analysis and discussion on data collection challenges

Our primary objectives were to collect and analyse statistical data related to:

- Economic conditions of the village.
- Weaving production and its variations.
- Assessing the impact of the Bhoodan movement through quantitative indicators.

The Methods of collecting Data

- **Surveys:** Distributed structured questionnaires to weaver's regarding income, employment, and weaving practices.
- **Interviews:** Conducted one-on-one interviews with key community members to gather qualitative insights.

Limited resources and time constraints posed challenges in ensuring a comprehensive and representative sample for statistical analysis.

The statistical analysis of Bhoodan Pochampally provides valuable insights into the quantitative aspects of the weaver's economy, weaving industry, and the enduring impact of the Bhoodan movement.

Enhanced the knowledge of history and weaving products by visiting the ***"Rural Tourism Complex"***.

This report encapsulates the statistical exploration of Bhoodan Pochampally, shedding light on the village's quantitative dimensions and contributing to our understanding of its economic and social dynamics.

Feedback:

Future statistical studies should consider an extended period for data collection and the inclusion of advanced statistical techniques for a more in-depth analysis.

❖ ***“GIGGLES AND GAMES GALA”***:
